

October Half Term

Thinking about the God of Space

25th Oct – 1st Nov: 'The Lord wraps Himself in light as with a garment; He stretches out the heavens like a tent' Psalm 104

Worship Warm Up:

Bigger Than Big! https://www.youtube.com/watch?v=b_Vwba3dGeY

Story: Read Psalm 104 together. You could read it in different translations. Here it is from The Message:

<https://www.biblegateway.com/passage/?search=Psalm%20104&version=MSG>

Chat We worship a great Big God. He's the God that made the sky, the Earth, infact the whole universe. It's really hard to imagine just how big He is and thinking about it sometimes gives us more questions. Questions are great, you can chat to your family or to your children's church leader about any questions you have. And you can always chat to God too.

- 1) What is the most amazing thing you've seen in nature this week?
- 2) How do you feel about the idea that God made everything?
- 3) How can you play your part in caring for God's world?
- 4) Why do you think that human beings are so special to God?

Creative Prayer: When it's dark, head outside as a family and look up to the night sky. You could go on a walk together to find somewhere with less street lighting so you can see the stars more clearly. Be quiet together for 1 minute thinking about how big space is and how our God is bigger still. Then whisper to God something you're worried about right now. He is bigger than big but can still hear your whispers and still cares about everything in our lives. Afterwards pause again in case you catch anything back from God.
